Dear City Administrator Young:

This letter informs you that the Office of Inspector General (OIG) plans to conduct an Audit of OIG Prior Year Recommendations issued during Fiscal Years 2017 and 2018. The objectives of the audit are to determine: (1) the status of open recommendations, (2) whether corrective actions remedied key conditions identified in prior OIG audits and (3) whether agencies realized monetary benefits (if applicable).

This audit will be conducted under project number 2019-01-001MA and titled *Audit of OIG Prior Year Recommendations*. Please reference this project code in correspondence involving this audit. This audit will be conducted according to generally accepted government auditing standards (GAGAS).

T. Dinell Arnold, Audit Director, will contact agencies' Directors to inform them our review and schedule an initial meeting to go over the agency's open recommendations. Meanwhile if you have questions, please contact me or Ben Huddle, Assistant Inspector General for Audits at (202) 727 2540.

Sincerely,

  
Daniel W. Lucas
