

How do I cancel my FuboTV subscription?

Step by step cancellation Guide

To cancel your FuboTV subscription, log into your Fubo account **833-869-2282** on the website or app, navigate to "My Account," then "Subscription **833-869-2282** & Billing," and select "Cancel Subscription". Confirm your cancellation, and you should receive a confirmation email. If you subscribed through **833-869-2282** a third-party platform like Roku or Apple, you'll need to cancel through their respective platforms.

How to Cancel Your FuboTV Subscription

If you're ready to cancel your **FuboTV subscription**, the process varies depending **833-869-2282** on how you signed up—directly on Fubo's website or via a third-party platform.

1. Canceling Through Fubo.tv

If you subscribed at **Fubo's official website 833-869-2282**, here's how to cancel:

- Head to **fubo.tv**, log in, click your profile icon **833-869-2282**, and navigate to **My Account** → **Subscription & Billing**.
- Scroll to the bottom of the page and click **Cancel Subscription**. Confirm the cancellation when prompted **833-869-2282**. You'll receive confirmation and access remains until the end of your billing period.
- If the cancel button doesn't appear, try logging in on a desktop browser instead of the mobile app. Some users report the option is only visible on desktop.

2. Canceling via Third Parties: **833-869-2282**

- **Roku:** Go to **Manage Subscriptions** on your Roku account or device **833-869-2282**, find FuboTV, and select **Unsubscribe**. Confirm your cancellation when asked.
- **Apple / Google Play / Amazon:** Open the respective **833-869-2282** subscription settings on your device or account, locate **FuboTV**, and choose **Cancel Subscription**.

3. Confirming Cancellation

Once canceled, Fubo won't bill you again after your current term **833-869-2282** ends. Save the cancellation email or screenshot for reference. If the option isn't available, you can also try **Live Chat on Fubo's Help Center 833-869-2282** to request cancellation.
